

# the ultimate SHOW for women

## **CREDENTIALS**

Credential badges will be issued to your staff members working within your exhibit space during the show. The credentials will be generic, so you do not need to send in the names of your employees.

Credentials may be picked up at the Skirt! Show Management table during load-in. Badges must be worn at all times and are not to be used for anyone not working your exhibit space. The bearer must be able to provide identification if requested by Show Management. Show Management reserves the right to limit the number of credentials. Credentials are not transferable. Any abuse will result in the credentials being revoked by Show Management.
